SIMONSTOWN PRECEPTORY No: 22 SC

Dear Sir and Eminent Frater

It gives me much pleasure to advise you that Frater Craig Dobson will be installed as Venerable Preceptor of this Preceptory on Saturday 6th March, at the De Goede Hoop Masonic Centre, Cape Town.

The Installation Muster will commence at 11.00Hrs, and visitors will be admitted shortly thereafter.

The Installation Muster will be followed by a Luncheon After board.

We extend a cordial invitation to your District Grand Prior, yourself or your representative, and any other of your Fratres, to attend this Muster; also to join us for the After board thereafter.

This year we are pleased to be conducting our own Installation, after some years of our having received the kind assistance of your District.

In these difficult economic times we would appreciate, in respect of those of your Fratres attending, a donation towards the After board Luncheon, which includes wines and liquid refreshment.

It will be of assistance to us for logistical purposes, if you will be so kind as to advise me if your District Grand Prior, yourself, or representatives, plus any other Fratres, will attend our Installation Muster.

Yours in the Bonds of the Order,

Em. Fr. Keith A.R. Brooks – Secretary.

This Preceptory used to meet on a Tuesday evening, It has now moved to a Saturday morning so that members from out of town may attend. Fratres as this is a research Preceptory let us support where we can so that we may discuss and practice how to improve our working in all other Preceptories. Deep level

At a special meeting of Deep Level Preceptory (Knights Templar) and after a lengthy discussion a decision was made to look for another venue to cater for our four meetings that we have in the year. Various aspects were taken into consideration, it was decided to move away from Rewlatch Temple.

It is thus with sadness that I have to inform the committee that Deep Level will no longer meet at Rewlatch as of immediate affect (our next meeting to have been on March the 12th) Our new venue will be Temple Sinai Germiston
